

Take Steps to Protect Your Heart & Vascular Health

Vascular Screening Package – Only \$85

Schedule your Cardiovascular Screening Package today.

Call 219-738-1075

The package includes:

- PADNet: a non-invasive test to help identify peripheral artery disease
- Cholesterol, HDL and blood Glucose test (non-fasting), LDL (fasting only)
- Single-lead EKG to assess heart rhythm
- Carotid bruit check to identify potential artery blockage
- Vascular risk assessment: a review of your family history, medical history and life style risk factors to gauge your overall risk of developing cardiovascular disease.
