Our mission, vision and values inspire everything we do.
The first priority of the Methodist Hospitals administration is to serve our patients well. To do so, we must be trusted stewards of the organization’s capital, facilities, staff, and other resources to ensure that our hospitals are positioned to continue to provide for the health care needs of our communities now and in the future.

Recognizing significant shifts in the health care landscape, our Board and leadership carefully examined areas of opportunity and growth for Methodist Hospitals and embarked on a process to consider partnering with another health care system.

In 2017, having had initial contacts with a number of potential partners, we entered exclusive discussions with Franciscan Alliance. Those exclusive discussions allowed us the opportunity to explore the benefits of a potential partnership. During this time, leadership from both systems and our communities worked diligently to assess what a partnership might mean for our employees, physicians, patients and the communities of Northwest Indiana.

However, after months of thorough and thoughtful negotiations, we were unable to align on critical issues around the financial, operational and clinical service line implications of the proposed partnership, and at the end of the year we agreed to suspend merger talks.

We are resolute in our commitment to continue to look for the right opportunities to chart a path forward for Methodist Hospitals to ensure sustainable growth and success. We are financially sound and are confident in our ability to continue navigating the current marketplace.

However, our focus in 2017 was on much more than a partnership exploration. It was a year in which we achieved important milestones and made significant contributions to the communities we serve. This report is our accounting of the efforts we have made in the past year to ensure access to high quality, compassionate and cost effective health care for you and your family.

We will continue building on our history of excellence, and sincerely appreciate your support as we forge ahead, guided by the commitment to do what is in the best interest of our patients, employees, physicians and community.

President and CEO
Mamon Powers, Jr.
Chairman, Board of Directors
Quality Indicators 2017

2017 was the third year of a five-year effort to reach the top decile of quality care among U.S. hospitals. Methodist Hospitals continues to make important strides toward this goal, and our performance is especially strong in the areas of mortality and patient safety. Below are some areas in which Methodist Hospitals has already reached key benchmarks.

Survival Rates
Survival rates at Methodist Hospitals for conditions tracked by Centers for Medicare and Medicaid (CMS) are higher than the national averages for performance and are up compared to 2016.

Patient Safety Indicators
Patient Safety Index: The Patient Safety Index is a composite score that aggregates hospital performance across 26 safety measures in the areas of operations, procedures and childbirth. CMS created the score to provide a measure of the safety climate of a hospital compared to its peers. Methodist Hospitals scores in the top 10% of hospitals nationally on this measure.

Quality Awards

Methodist Hospitals is committed to leading the region in quality specialty care. The hard work and dedication of our physicians, nurses and employees have brought the hospital a number of honors and distinguished awards.

**BREAST IMAGING CENTER OF EXCELLENCE**
Methodist Hospitals is designated a Breast Imaging Center of Excellence by the American College of Radiology (ACR).

**CARF ACCREDITATION FOR REHAB**
Methodist Hospitals has earned accreditation of its inpatient rehabilitation units from the Commission on Accreditation of Rehabilitation Facilities, a sign of program quality and commitment to continuous improvement.

**CHEST PAIN CENTER ACCREDITATION**
was awarded to Methodist Hospitals by the Society of Cardiovascular Patient Care in recognition of its high level of expertise in the assessment, diagnosis and treatment of patients who may be experiencing a heart attack.

**COLLEGE OF AMERICAN PATHOLOGISTS LAB ACCREDITATION (CAP)**
Methodist has been awarded accreditation for Laboratory Services, via an inspection process designed to ensure the highest standard of care for all laboratory patients.

**COMMISSION ON CANCER ACCREDITATION**
Methodist Hospital’s Comprehensive Cancer Program has been accredited by the American College of Surgeons since 1974.

**DIABETES CENTER OF EXCELLENCE**
The American Diabetes Association recognizes Methodist Hospitals for the high quality of its community diabetes education programs.

**FIT-FRIENDLY WORKPLACE**
Methodist Hospitals is recognized by the American Heart Association as a Gold Level Fit-Friendly Workplace for its implementation of health initiatives such as encouraging walking, providing healthy cafeteria food options, lunch and learn health seminars and free annual wellness screenings for employees.

**GOLD PLUS PERFORMANCE ACHIEVEMENT AWARD FOR STROKE**
is awarded by the American Heart Association and the American Stroke Association for exemplary adherence to all performance measures established in its Get With the Guidelines program. Methodist Hospitals was the first Northwest Indiana hospital to earn this award.

**JOINT COMMISSION ACCREDITATION**
Methodist Hospitals earned The Joint Commission’s Gold Seal of Approval® for Hospital Accreditation, a symbol of quality that reflects an organization’s commitment to providing safe and effective patient care.

**LUNG CANCER SCREENING CENTER OF EXCELLENCE**
Methodist is recognized as a Screening Center of Excellence for its compliance with comprehensive standards to ensure responsible, high-quality screening practices.

**MAGNET RECOGNITION**
In 2017, Methodist became Northwest Indiana’s only hospital to achieve ANCC Magnet recognition, the gold standard for nursing excellence.

**NAPBC ACCREDITATION**
Methodist Hospitals was first in the region to earn accreditation by the American College of Surgeons’ National Accreditation Program for Breast Centers (NAPBC).

**OWN THE BONE PROGRAM RECOGNITION**
The American Orthopedic Association has awarded Methodist Hospitals its Own the Bone Star Performer designation, an achievement reserved for institutions that perform the highest level of fragility fracture and bone health care.

**PRIMARY STROKE CERTIFICATION**
by Healthcare Facilities Accreditation Program recognizes Methodist Hospitals’ stroke program as meeting national standards for quality stroke care.

**TRAUMA DESIGNATION**
In 2017, Methodist Hospitals became Northwest Indiana’s first verified Level III Trauma Center.

**WOMEN’S CHOICE AWARD**
Methodist Hospitals has been designated one of America’s Best Breast Care Centers every year since 2014 by WomenCertified®, home of the Women’s Choice Award, a leading advocate for female consumers.
2017 Highlights

MAGNET RECOGNITION FOR NURSING EXCELLENCE

Methodist Hospitals is the first Northwest Indiana hospital to achieve The American Nurses Credentialing Center’s (ANCC) Magnet recognition. With this achievement, Methodist Hospitals joins the global Magnet community - a select group including less than 10 percent of the hospitals in the United States.

The ANCC Magnet Recognition Program honors heath care organizations that demonstrate excellence in nursing services.

Magnet recognition is the highest national credential for nursing excellence, serving as the gold standard for nursing practice. The evaluation process was rigorous and comprehensive, including bedside nurses and nursing leadership, departments across the organization, the executive team and members of the board of directors. Magnet recognition is an impressive and important distinction for our organization and staff as well as the communities we serve.

JOINT COMMISSION ACCREDITATION

In June, Methodist Hospitals received official notification that we have earned The Joint Commission’s Gold Seal of Approval® for Hospital Accreditation by demonstrating continuous compliance with its performance standards. The Gold Seal of Approval® is a symbol of quality that reflects an organization’s commitment to providing safe and effective patient care.

The Joint Commission team of expert surveyors evaluated our compliance with standards in areas that have impact across the entire organization. These included emergency management, environment of care, infection prevention and control, leadership, and medication management. Surveyors also conducted onsite observations and interviews. As a group, the surveyors were impressed with the level of staff engagement they encountered and with the level of preparation and maturity displayed by the Methodist staff with whom they interacted.

“I owe my only son’s life to the doctors and nurses at Methodist Hospitals. I call him my “miracle baby”. Without them, my son would not be here today. Our family is in awe of the care we received and continue to receive at Methodist.”

Stephanie, Mother of Neonatal Intensive Care Unit Patient
NEWLY RENOVATED NORTHLAKE CAMPUS
EMERGENCY DEPARTMENT AND ICUs OPEN
2017 saw the completion of newly renovated Intensive Care Units (ICUs) and Emergency Department, a $12.1 million investment at the Northlake Campus in Gary. The project, completed in 14 months, was designed to support best practices, and includes up-to-date technologies and improved workflow that greatly enhance the Hospital's ability to serve Northwest Indiana as a verified Level III Trauma Center.

The renovated Northlake Campus Emergency Department features 15 large rooms with improved patient privacy that includes doors instead of curtains, updated nurse call systems, the latest patient telemetry monitoring systems and televisions. Its design enables physicians, surgeons and staff to reduce ER wait times and improve overall efficiency. The renovation also includes a Fast-Track Area where patients with less critical needs are seen and treated quickly.

The ICUs feature a new 12-bed ICU and a renovated 6-bed ICU for a total of 18 private and spacious rooms that accommodate the latest technologies.

VERIFICATION AS A LEVEL III TRAUMA CENTER
Thanks to the remarkable work of our dedicated surgeons, physicians, nurses and staff, the Methodist Hospitals’ Northlake Campus was verified as a Level III Trauma Center by the American College of Surgeons in 2017. We were the first in Northwest Indiana to earn Level III verification.

Level III Trauma verification is a testament to the skill and hard work of our dedicated and passionate employees. Verified trauma centers must meet essential criteria that ensure trauma care capability and institutional performance as outlined by the American College of Surgeons’ Committee on Trauma.

SECOND CAREFIRST LOCATION OPENS IN MERRILLVILLE
Methodist Hospitals expanded the footprint of its ambulatory care centers with the launch in February 2017 of a second CareFirst Immediate Care Center in Merrillville, just off Route 30 at Rhode Island Street. CareFirst Immediate Care Center offers care for a variety of non-emergent acute illnesses and injuries. The CareFirst facility also houses physician offices and the Methodist Hospitals Cardiac Rehab services.

TRUEBEAM RADIOTHERAPY SYSTEM
The Methodist Hospitals Oncology Program enhanced its radiation therapy capabilities with the addition of the TrueBeam System. TrueBeam, the most advanced system available, enables new treatments for a wide variety of cancer cases, including lung, breast, abdomen and head and neck cancers. TrueBeam delivers fast, non-invasive, accurate image-guided treatments, exposes patients to 25% less radiation, and enhances the patient experience.
**Economic/Community Impact**

Our mission is to provide compassionate, quality health care services to all those in need.

**METHODIST HOSPITALS’ ECONOMIC IMPACT**

- $302.9 Million impact of dollars earned by Methodist employees
- $208.1 Million impact of goods purchased to provide healthcare
- $36 Million impact of spending on buildings and equipment

\[ \text{Total Economic Impact} = 302.9 + 208.1 + 36 = 547 \text{ Million} \]

**METHODIST HOSPITALS’ COMMUNITY IMPACT**

- $20.5 Million Physician and Community Services
- $38 Million Uncompensated Care
- $36.9 Million Charity Care

\[ \text{Total Community Impact} = 20.5 + 38 + 36.9 = 95.4 \text{ Million} \]

**METHODIST HOSPITALS’ TOTAL ECONOMIC AND COMMUNITY IMPACT**

$642.4 Million

Economic impact totals based on Indiana Hospital Association formula

“... All of the physicians, nurses and assistants in the Emergency Room are great. I would like to thank the nurses after my cousin was transferred to the unit. They were kind, patient, attentive and really cared about my cousin’s treatment. He received the best care from an exemplary staff.”

Curt, Medical/Surgical Patient Relative

**METHODIST HOSPITALS’ IMPACT ON HEALTH CARE IN THE COMMUNITY**

- 102,121 Outpatient Visits
- 67,942 Emergency Room Visits
- 15,443 Inpatient Admissions
- 5,157 Outpatient Surgery Cases
- 3,257 Inpatient Surgery Cases
- 1,228 Newborn Deliveries

195,148 TOTAL PATIENT ENCOUNTERS
According to the American Hospital Association, each hospital job supports approximately two additional local jobs.

Net Revenue: $333.5 Million
Employee Salaries and Benefits: $191.6 Million
Purchased Goods and Services: $131.6 Million

“'I’m again able to have an active lifestyle, and practice karate on my own. I wouldn’t have had that opportunity if it weren’t for Dr. Mark Jones.”

Lucas, Foot and Ankle Surgery Patient
A Culture of Excellence and Engagement

Methodist Hospitals has made a long-term investment in building an employee culture in which highly engaged staff are fully committed to the Hospitals’ mission and who work together to provide the very best care to all of our patients every day.

The Foundation for this culture is the internalization by all our staff of our mission, vision and values and their adherence, every day in everything they do, to our Model of Care and Conduct.

Methodist Hospitals employees contribute in many ways to the success of our organization and to the well-being of the communities we serve. Below are employees who were recognized for special contributions in 2017.

**SAFETY STAR OF THE YEAR**
The Safety Star of the Year Award recognizes an employee who models safety behavior and has made a major contribution to improving safety for our patients and staff by reducing errors and harm.

Heather Carroll, RN, Unit 2W3

**EMPLOYEE OF THE YEAR**
The Employee of the Year Award recognizes an employee for their outstanding contributions, exceptional accomplishments and behavior that exemplified our Model of Care and Conduct during 2017.

Biljana Dobrijevic, RN, Charge Nurse 5W1

**HUMANITARIAN OF THE YEAR**
The Humanitarian of the Year award recognizes an employee who has made a great impact on the lives of people in the communities we serve, and is meant to encourage Methodist employees to go out and make a difference in the world around us.

Father Joseph Uko, Chaplain, Spiritual Care Dept.

**LEADER OF THE YEAR**
The Leader of the Year Award recognizes a supervisor, manager or director who is judged by their peers to embody the values, mission, vision and Model of Care and Conduct of Methodist Hospitals, including our I-Care Values of integrity, compassion, accountability, respect and excellence.

Deborah Prewitt, Manager, Therapy Services

**2017 DAISY AWARD WINNERS**
Methodist Hospitals’ patients and their families recognize nurses giving extraordinary care.

Jessica Greichunos, RN
Anu Kommareddy, RN
Vanessa Lee, RN
Kimberly Sausman, RN
Dawn White, RN
Gay Wuerzburger, RN

**2017 NURSING EXCELLENCE AWARDS**
Each year, Methodist recognizes nurses and Certified Nurse Assistants for their skill and caring.

Sylvia Richardson, CNA
Helen Stojanovich, RN
Cynthia Thurn, CNA
Phyllis White, RN
THE RIGHT DOCTORS MAKE ALL THE DIFFERENCE

In a changing and challenging health care environment, Methodist Physician Group places our patients at the center of everything we do – constantly improving our practices, procedures and technology to help our patients navigate through all phases of care and achieve the best possible outcomes. Working together, we strive to help our patients maintain the highest possible quality of life.

Methodist Physician Group continues to grow, and in 2017 numbered 203 total staff, including primary care physicians, specialists, surgeons, hospitalists, nurse practitioners, physician assistants, medical assistants and other staff. Six new physicians joined MPG in 2017 with recruitment in progress for several more.

We represent a wide range of specialties:
- Family and Internal Medicine
- Gynecology and Obstetrics
- Cardiology and Interventional Cardiology
- Neurology
- General, Bariatric and Trauma Surgery
- Foot and Ankle Surgery, Podiatry
- Orthopedic and Spine Surgery
- Plastic and Reconstructive Surgery
- Psychiatry
- Sports Medicine
- Hospitalists
- Nurse Practitioners
- Nurse Midwife
- Physician Assistants

A Strong Foundation

The Methodist Hospitals Foundation remains committed to securing philanthropic support for the programs and services of the hospital. In addition to disbursing funds previously raised to meet specific needs of various departments, in 2017 the Foundation focused efforts to benefit the Heart & Vascular Institute.

The Methodist Hospitals Foundation gratefully acknowledges the generosity of our benefactors, including premier contributors, event sponsors, foundations, corporations, businesses, and individuals. We are honored to recognize the gifts received for fiscal year of January 1 through December 31, 2017.

“Everybody at Methodist has a spirit of hope. I was taken care of like a family member. Your staff is a phenomenal group of people because they meet us when we are most terrified, give us hope and make us feel like we matter. I applaud you because this is how medicine should be done, from top to bottom.”

Sherilyn, Oncology Institute Patient
“I’m grateful to everyone at Methodist who helped to give me back to my family. I’m living proof that Methodist Hospitals and their physicians go over the top in the care of their patients and their patients’ families.”

Thank you for your support

Our success is made possible by the unwavering support of our community, our physicians, our employees, and our volunteers.

On behalf of the Methodist Hospitals Board of Directors and Administration, thank you for allowing us to continue our mission to provide compassionate, quality health services to all those in need.
